The WAKO Safeguarding goals

Creating, promoting and maintaining safe environment at and around competition event

Transparency, creating standards that set boundaries in sport and athletes

The WAKO Safeguarding means

1. General safeguarding procedures (public order)
2. Protection of the athletes from harassment and abuse (WAKO Safeguarding Committee at every WAKO event)

Complaint procedures

Any WAKO Member who suffers or suspects that someone may be suffering must report to the National Safeguarding officer. The National safeguarding officer prepares a report of the issue with all possible information recorded securely, promptly, and as quickly as possible. Then, they deliver it to the designated Safeguarding Committee of the event. The designated Safeguarding Officer shall in all cases provide support to the victim.
