With decision dated 20<sup>th</sup> February the WAKO Arbitration Committee decided to uphold the WAKO Disciplinary Committee's decision.

On 02<sup>nd</sup> of February Mr. Krisztian Jaroszkiewicz wrote to the Disciplinary and Ethical Committee an mail as follows:

*Mr. Nikolaus Gstättner,*

*You are certainly aware that I have withdrawn my appeal to Mr. Fox. I hope that the information from Mr. Fox on this matter has reached you.*

*I have come to this decision because I want to close the case so that my athletes will be finally able to prepare for the competition. Eight of my athletes will compete at the European Games and the preparation period has started.*

*The first European Cup will be the Karlovac Open - and I really want to sit behind my athletes.*

*It has been a very long period of punishment. It was a period during which I had to stay out and not be present where I needed to be, and during which I suffered constantly because of the absence of my athletes. I trully wish that everything get back to normal. I am confident that I will be able to meet all the conditions in all respects that I am facing.*

*It is in our common interest that these athletes perform well, and represent WAKO at the highest level at the European Games.*

*I would like to ask the Disciplinary Committee to reduce or terminate my ban, as it is now one year and four months since I was banned. After such a long period of time, I would like to go back to work and be behind my athletes.*

*Thank you for reading. Yours in Sport Krisztián Jároszkiewicz*
