EXTRA OFFICIALS

Apart from the total of 172 persons that will receive accreditation, WAKO and the participating Nations have the right to ask for the accreditation of extra officials as follows. Conditions about participation of extra officials depend on Wroclaw Organizing Committee (WOC) offer which will be ready soon.

Based on WOC offer WAKO will inform its members.

ACCOMMODATION

Accommodation of all participating National Teams will be provided in 3* hotel based on full board in single, double and triple rooms.

Hotel accommodation offer for WAKO made by Wroclaw Organizing Committee (WOC) will be ready soon. Based on WOC offer WAKO will inform each National Team. Since accommodation is limited for 172 participants and just to avoid possible problems with accommodation WAKO will send to each National Team number and structure of the rooms available.

ACCOMMODATION COST

All accommodation cost will be covered by National Teams.
Price will be sent to all as soon as WAKO receives offer from WOC.

INSURANCE

Each World Games participant must be insured against the minimum costs of medical treatment. Without proof of health insurance (in English) accreditation of the participant will not be possible. There will be the possibility to buy insurance in accreditation centers (cost ca. 40 euro/week). Minimum desired insurance coverage is 200 000 zł (50 000 euro).

The WOC will publish the requirements for insurance of The World Games participants up to the end of 2016.

ACCREDITATION

WAKO is required to follow a strict timeline to provide the information about athletes and extra officials to the WOC and the IWGA.

WAKO shall have the login and the password for the input of the names and requested data.

In a separate newsletter WAKO will write to the participating nations with the specific data that are required for the IF passport.
