HEAD OF DELEGATION RESPONSIBILITY FORM

The National Kickboxing Federation of GABON greatly appreciate your interest, presence and co-operation in making this event a successful and meaningful experience for all participants involved. The average participant in this Event is well mannered, well disciplined and very co-operative. Our greatest concerns are for safety of the participants, and that at the completion of these Championships there will have been no incidents which would reflect poorly on any individuals, teams, or organizations. We ask for your co-operation and responsibility towards these aims.

STATEMENT OF RESPONSIBILITY

I recognize my responsibility for the entire behavior of the athletes on my team throughout their participation in the 1st Libreville International Tournament 2013. These responsibilities begin at the time of their first arrival and conclude after their final departure from the Tournament, Tournament Site or other Site which might be related to their participation in this event. This includes complete supervision while athletes are in their respective competition for the purpose of these Championships. I also recognize that discipline problems arise in the late evening after the conclusion of the competition, in the form of not obeying the quiet hours between 11 PM and 5:30 AM, and especially on the last night of competition. I also recognize that the host committee, the Tournament Director, and the Staff at each competitive site will be available to help control discipline problems and make the Tournament enjoyable for all.
