Dear Colleagues,

By the present to inform you of my decision that Mr. Romeo Deša from Croatia will become my adviser.

For his work, he will not get any money compensation or salary, nor any cost covered by WAKO (travel, accommodation etc).

Mr. Romeo Deša is well known as expert for tatami and ring disciplines in WAKO, expert for WAKO history and one of the best statisticians WAKO had ever.

Here is his short biography concerning work in WAKO.

Mr. Romeo Deša was born 1957, living in Rijeka, Croatia. He has been engaged in WAKO kickboxing on multiple levels for almost 30 years, where he has reached the highest positions concerning WAKO organizing, refereeing and technical issues. Moreover, he is in charge for all statistics WAKO has, concerning competition activities, what gives him credibility as the best informed personality about WAKO history. For his credits given in area of fair play spirit on the WAKO tournaments, competitions and internal relations, he was awarded by International Fair Play Committee during the Junior Championships 2016 in Dublin. Mr. Deša was in charge in the standardizing and completing basic documents of WAKO federation concerning kickboxing rules, defining disciplines, protecting gear, all procedures and protocols, as well as other documents concerning technical issues in organizing competitions.
